The goal is to show our numbers. Biden supporters will be 200 antifa and the cops.

If 5 million people show up, its shows the world the truth of the numbers of supporters.

With numbers like that we will show that we will not accept a fraudulent election regardless of how long they've been getting away with it.

It ends now. If We the People are to regain power, we must show up ready to take it if necessary.

The President of the United States of America, Donald J. Trump asked me to be there on Jan.6th, 2021. He endures and fights for us and is the foremost defender of our Constitution and I WILL BE THERE. That's all I need to know.

Going without a clearer objective might be a bad thing. I'm very confused (angry). It hasn't been explained.

Oh and excellent questions. When and if he calls out the militia. I will stop asking and follow orders.

We need a leader. Yes, we have Trump, but obviously he's not going to get into detail how we should be doing things. We need someone who doesn't have their hands tied by politics to help coordinate us. Right now the only thing we all are on the same page about is America First and Biden won by fraud.

You'd better get there on the 5th if you want to impact the vote count on the 6th, in the morning.

An overwhelming show of people power will send a message to our corrupt government that the people are restless and demanding change. Obama was a fraud and Trump is the real deal. This may be a precursor to serious civil unrest. Before they thought the threat was Antifa and BLM, we hope they will soon learn differently.

No one knows for sure. You are asking something that can't be fully answered unless you have a time machine. We are at a monumental turning point in world events with unprecedented corruption in this country.

I will take a guess though. If the government refuses to acknowledge the stolen election, there will be way more Trump supporters in mass than Biden voters. This is ammunition to show that everything has been compromised.

Think about those screenshots comparing stadium filling MAGA rallies to Biden rallies with 8 people in chairs 20 feet away. The Jan 6th rally will be exactly that. A nationwide look at who really supports who, flat out debunking that 80 million people wanted Biden as president.

Could very well be Pres. Trumps last showing of evidence to wake up the normies before insurrection act is used, if he takes that route.

Appropriate username.

Also a good point. I think the idea from what I can gather is a massive exorcise of rights and an "occupation" as it were. Show up, make a point you can't be ignored and our rights can't be stripped any longer. Just what I've noted.

I hear you. And if ppl get shot I mean, what does that do. What sucks is that we are attacking a walmart when the headquarters is the real problem. How do we compel compromised politicians that will be secured with security, etc? Shit a guy shooting at them at a baseball game didnt scare them.
